

Long Term Survey

Widening

A1A and/or Mickler/CR210

Attached is the SECOND SURVEY intended to collect your input on the proposed WIDENING OF A1A and MICKLER/CR210.

Please complete this survey. By doing so, you will assist the CTTF Board in prioritizing the individual projects and help determine which improvements, if any, should be made. The first set of questions are general demographic questions to understand who is answering the survey. The remaining sections of the surveys are organized by the proposed changes. Your survey responses are completely anonymous and will only be used in aggregate with hundreds of other responses.
